## PROFESSIONAL EXPERIENCE

---

### Oak Hill Advisors

New York, NY

Summer Analyst, Buy-Side Credit

July 2023 - August 2023

- Built a financial model, capitalization table, and portfolio overview for 1 public hotel real estate investment trust
- Explored the revenue breakdown of +12 companies, resulting in the clarity of investment eligibility on portfolio restrictions
- Conducted research and due diligence for the ESG financial analysis of 6 gaming and leisure companies
- Steered documentation efforts on 6 lender calls, 1 drive-by deal, 2 credit meetings, and 1 industry coverage call
- Studied news, weather trends, and online commentary to evaluate theme park companies in anticipation of earnings calls

### Avant

Chicago, IL

Customer Lifecycle & Engagement Intern

June 2022 - August 2022

- Documented onboarding flows for credit card and loan customers, resulting in 2 pitches of improved onboarding processes
- Analyzed +15 customer interviews to produce 3 Customer Journey Maps for credit card, loan, and banking products
- Facilitated 3 rounds of quality assurance for the Avant website in support of the new brand launch
- Researched marketing communications for 15 competitors to revitalize the Avant email marketing content strategy

### Balyasny Asset Management

Chicago, IL

Software Engineering Intern - Trading Technology & Compliance

June 2021 - August 2021

- Automated 1 email report algorithm for the investment teams, resulting in efficient tracking of shareholdings for IPO events
- Organized 4 meetings with the Sector Data and Trading Technology teams to structure data for the report creation
- Integrated internal and external data channels, such as Bloomberg Professional Services, for an instant interface
- Launched 1 channel for software engineering interns to debug code, resulting in a community that lives beyond the internship

### MakerGirl

Chicago, IL

Marketing and Curriculum Intern

March 2020 - May 2021

A nonprofit organization educating 7-10-year-old girls in STEM through 3D printing

- Co-created the Inventive Minds program and led the 3D Printing Virtual Sessions, resulting in the participation of 566 girls
- Directed marketing efforts for the 2020 Giving Tuesday campaign that culminated in \$14,500 in donations
- Boosted the diversity initiative, resulting in 46% of participants identifying with an underrepresented background

## LEADERSHIP & ACTIVITIES

---

### Brown Formula Racing

Providence, RI

Chassis Systems Engineer

January 2023 - Present

- Co-built the chassis and managed 2 numerical control lathe machines to make 64 conicals in support of the race car assembly
- Contributed to the engineering documentation by verifying frame angles for the chassis and gas tank welding

### Brown Investment Group

Providence, RI

Research Committee Member

September 2021 - Present

- Co-pitched 4 companies with the Systematic Macro and Financials/Real Estate teams, resulting in 2 long-term investments
- Evaluated investments in the \$200,000 Core Fund while conducting design research for the \$25,000 Quantitative Fund
